Camp Purpose and Goals

We have designed our All Star Camp for wrestlers of various ages and skill levels. Wrestlers will be divided into small groups to receive personalized instruction throughout the week. You will get the individual attention necessary to help you develop and enhance your skills from an All Star staff consisting of NCAA All Americans and National champions. We are confident the skills that you learn from this camp will be noticed in your upcoming season. Plus, at no extra charge your child can learn MMA moves from Strikeforce, WEC and UFC standouts if they wish to do so.

***The last session is a tournament for all campers that will be held on Friday, July 1. This will allow the wrestlers to try their new technique in live tournament competition.**

***The MMA session is optional and for wrestlers wishing to learn MMA moves. (NO LIVE)**
