*Go to: <http://www.worldofwrestling-roller.com/>

*Click on the Log In Tournament Registration Tab

*Log In with your Email Address and Password, or create a new account

*Click on Wrestlers and add wrestler information for each wrestler you want to register

*Click on Tournament Sign-Up, and select the open division or the girl's division.

*Select wrestler's name, and then select their weight, and click enter

*You can keep adding multiple wrestlers. When you have added all your wrestlers, then you have to click to pay at the bottom of the page, and pay for your entries.

*Early Weigh-In is Optional – You can pay with credit card for this online until entry deadline or you can pay cash at the door.

To pay Early Weigh-In, you must register for the tournament first. After you pay on the World of Wrestling website for the tournament, then you can log back into your account, click on entries, and then it will show Early Weigh-In Available. You will just click on the available button and enter your wrestler's information and pay with a credit card. You will not get a confirmation email for the early weigh-in payment, so you can screenshot the screen after the payment goes through if you want a receipt.
